* For most realistic league play, when possible, allow only above pitchers preceded by an asterisk to start once every four games (3-game rest between starts). All other starting pitchers should start once every 5 games (4-game rest between starts).

In addition to the 82 additional players, four extra players will automatically be included. As these players do not have a team name indicated on their cards, you must write in the team name. Below are the extra players mentioned, teams played for (last team mentioned is team of record at season's end) and number of games played.

- Galen Cisco 23 - Boston 4 - New York (NL)
- Moe Drabowsky 23 - Cincinnati 10 - Kansas City
- Johnny Temple 78 - Baltimore 31 - Houston
