| 20 Nameless players | \$.50 | <input type="checkbox"/> |
| 1 fielding chart | 1.00 | <input type="checkbox"/> |
| 1 bag of dice and markers | .35 | <input type="checkbox"/> |
| 1 split deck | .25 | <input type="checkbox"/> |

| 4 pitcher's hitting cards (two sided) | .20 | <input type="checkbox"/> |
| 1 game box including infield platform | 2.50 | <input type="checkbox"/> |
| 80 additional players for expansion purposes | 1.00 | <input type="checkbox"/> |

For most realistic League play, when possible, allow only above pitchers preceded by an asterisk to start once every four games (3 games rest between starts). All other starting pitchers should start once every 5 games (4 game rest between starts).

Below is a coupon containing prices of miscellaneous Strat-O-Matic Baseball Items. All are self-explanatory with the exception of the 20 nameless player cards. Nameless Player Cards are nameless cards fully computed and statistically setup. You will therefore be in a position to create cards for rookies and veterans not included in the "top 400". This is accomplished by designating a nameless card to be the equivalent in ability to an individual rookie playing a major role in the 1969 pennant race.

EXPANSION TEAM ROSTER

Below you will find the expansion team rosters. Players above the line are included in the 80 additional players. Players below the line must be transferred from their original teams as indicated.
