Two players have cards in both leagues. Listed below are the games played with each team (statistics will vary according to performance for each team). Last team mentioned is team of record at season's end.

Rocky Colavito 40 - Los Angeles 39 - New York A.L.

Lou Johnson 62 - Chicago N.L. 65 - Cleveland

In addition to the 87 additional players, two extra players will automatically be included. As these players do not have a team name indicated on their cards, you must write in the team name. Below are the extra players mentioned, teams played for (last team mentioned is team of record at season's end) and number of games played.

Wayne Causey 59 - Chicago A.L. 4 - California 16 - Atlanta
