*For most realistic League play, when possible, allow only above pitchers preceded by an asterisk to start once every four games (3-game rest between starts). All other starting pitchers should start once every 5 games (4-game rest between starts). Also, we suggest that Popovich of the Chicago Cubs, Taylor of Pittsburgh and all the additional players be used in secondary roles.

Three players have cards in both leagues. Listed below are the games played with each team (statistics will vary according to performance for each team). Last team mentioned is team of record at season's end.

Jim Bouton	57	Seattle, 16	Houston
Vic Davalillo	33	California, 63	St. Louis
Tommy Davis	123	Seattle, 24	Houston

In addition to the 99 additional players, three extra players will automatically be included. As these players do not have a team name indicated on their cards, you must write in the team name. Below are the extra players mentioned, teams played for (last team mentioned is team of record at season's end) and number of games played.

Jimmie Hall	4	Cleveland, 80	N.Y. Yankees, 11	Chicago Cubs
Hoyt Wilhelm	44	California, 8	Atlanta	
Dooley Womack	30	Houston, 9	Seattle
