*For most realistic League play, when possible, allow only above pitchers preceded by an asterisk to start once every four games (3-game rest between starts). All other starting pitchers should start once every 5 games (4-game rest between starts). Also, we suggest that Hinton of Cleveland, Gibbs of New York, Crosby of St. Louis, and all 97 additional players be used in secondary roles.

Tony Gonzalez has cards in both leagues. Listed below are the games played with each team (statistics will vary according to performance for each team). Last team mentioned is team of record at season's end.

ATL - 123 CAL - 26

With the purchase of the 97 additional players four extra players will automatically be included free of charge. As no team name is indicated on their cards, you must write the team name in. Below is a list of the four involved players, teams played for (last team mentioned is team of record at season's end) and number of games pitched.

Dean Chance	Cleveland	- 45	New York Mets	- 3
Jim Grant	Oakland	- 72	Pittsburgh	- 8
Ron Herbel	San Diego	- 64	New York Mets	- 12
Hoyt Wilhelm	Atlanta	- 50	Chicago Cubs	- 3

You may eliminate a player of your choice from each team that receives one of the above pitchers. Please do not write Strat-O-Matic Game Co., Inc. regarding the above, as only your judgment is involved in this matter.
